

Tantric Awakening

A 6 MONTH PRIVATE MENTORSHIP

With Holly Turiya | Tantric Intimacy Coach For Women

TAKE THE ROYAL ROAD
TO THE THRONE OF YOUR BODY
AND BECOME FULLY ALIVE

Hello Wild one,

It's an honor to initiate you on your Tantric Awakening journey. I'm Holly Turiya, Tantric Intimacy Coach for women. My mission is to live with deeply embodied presence, truth, pleasure, and power and to guide the liberation of feminine leaders into their erotic aliveness.

You're here with a mission to inspire and impact many through your purpose. I'm here to support your mission by sharing the tools, practices, and teachings of Tantra, empowering you to become powered by pleasure as you light up the world with your love + service. Serving from overflow - this is the new paradigm way of the embodied feminine leader, and I'm honored to teach you how.

I'm here to help you gently release any + all things within your being that are out of alignment and no longer true, so you can create space for all your desires to enter your life. I'm here to teach you how to heal your body to feel unwavering peace + trust, to embrace your sexuality as divine and holy, and to open your heart to receive the highest love.

No more sacrificing yourself for your service. No more putting pleasure, rest, and celebration at the bottom of the pile. It's time to let your feminine essence, and primal sensual power become your new fuel source.

It's time to come fully alive.
Your Tantric Awakening awaits.

xo Holly Turiya
