Open your hearts and worship each other as the Gods + Goddesses that you are. Join me for Coming Together : Tantric Awakening For Couples as we journey together into an initiation into the Tantric Arts for lovers.

The intention of this voyage is to bring you deeper into your loving connection by bringing electric polarity + attraction back into your relationship, while reigniting your original spark of love, play, and sensuality.

During this journey, we'll meet for 4 Reclamation Sessions over the course of a month (in person or virtual). These sessions weave together transformative intimacy coaching, Tantric teachings + practices, and Shamanic ritual to bring you deep into the physical, emotional, and sensual body together.

Keep the simmer burning between you in between sessions, and come together as a couple with sexy playdays, Tantric pleasure practices, and shared journaling prompts.

## FAQ's

### WILL THERE BE ANY SEXUAL TOUCH OR NUDITY DURING OUR SESSIONS?

No. Erotic, sexual, and pleasurable energy is welcomed and invited during the session for you to cultivate turn on and experience deeper desire. We'll explore light sensual touch, breathing, and movement all while clothed. Touch between partners is encouraged. If I'm called to touch you during our session I will always ask for consent.

### WHERE ARE SESSIONS HELD?

In my healing room at my home in Nosara Costa Rica. Virtual sessions are also available for those who don't live here in town.

### HOW MUCH TIME IS REQUIRED FOR US FOR THIS JOURNEY?

I encourage you to view this 1 month journey as a medicine ceremony together. Each week will require 1.5hrs for our session, 20-30minutes a day for self practice + journaling, and 1 full playday together with the most time you have available. This means time together without children or guests, and offline. So notify your team, family, and friends that one day a week (or as much of the day as you can!) you'll be busy playing + won't be available!

### HOW IS OUR PRIVACY HELD?

Safety is one of my top core values. I hold the work I do with clients in sacred confidentiality. I will refer to you as my friends, not my clients. Anything shared during or in between sessions is held in privacy. Of course you're welcome to introduce me, and refer to me as your Tantra Teacher!
